GreaterAds.com : India's first time Pixel concept embedding with classifieds, TOTAL concept with 10 lakh pixels, a successful website with pixel concept "www.milliondollarhomepage.com" we prepared special software for pixels and embeded with classifieds. so never before you find this type of advertising concept or webportal.

Benfits of pixel webportal www.greaterads.com:

- you can place your 'Advertisement' at home page.
- you can select your favourite place at home page.
(for this just double click on pixels,you are redirected to other page, where you can select your pixels).
- Your Ad with your company's logo.
where mouse pointer goes on your logo your company's TOTAL Description will be seen and then Thousand times chances to click on your Ad.
- Most of the clients have no patientce to go to inner pages of a business directory and here is the chance to go directly from Greaterads.com home page to your business location or your website.

If user miss clicking on your logo....No problem

- your Ad will be also at classifieds.
- your Ad will be placed as premium Ad.
- your Ad will be placed in category on TOP of www.greaterads.com, So It is sure you will get The customer to your business, you never miss Customers.
- when searching your product related info your 'Ad'will come on top of search list, so you never miss Customers.
